The cost to attend either clinic is \$25.00. If you choose to participate in both clinics, the cost is just \$40. This is a great opportunity to help get your child back into shape for the upcoming football season. Our experienced coaching staff will be handling all the fundamentals during the clinics and will be giving individualized instruction to each player throughout the day.

Players are divided by age group and will be supervised by a coach or staff member familiar with their football playing division. We hope to see you there!
